

emeco

Do companies have goals beyond what they produce?
We like to think so.

It wasn't about style.

1006 Navy Chair

– guaranteed for life

"It's a completely impractical process for a chair. Unless you want a chair that lasts forever."

- Gregg Buchbinder, Owner

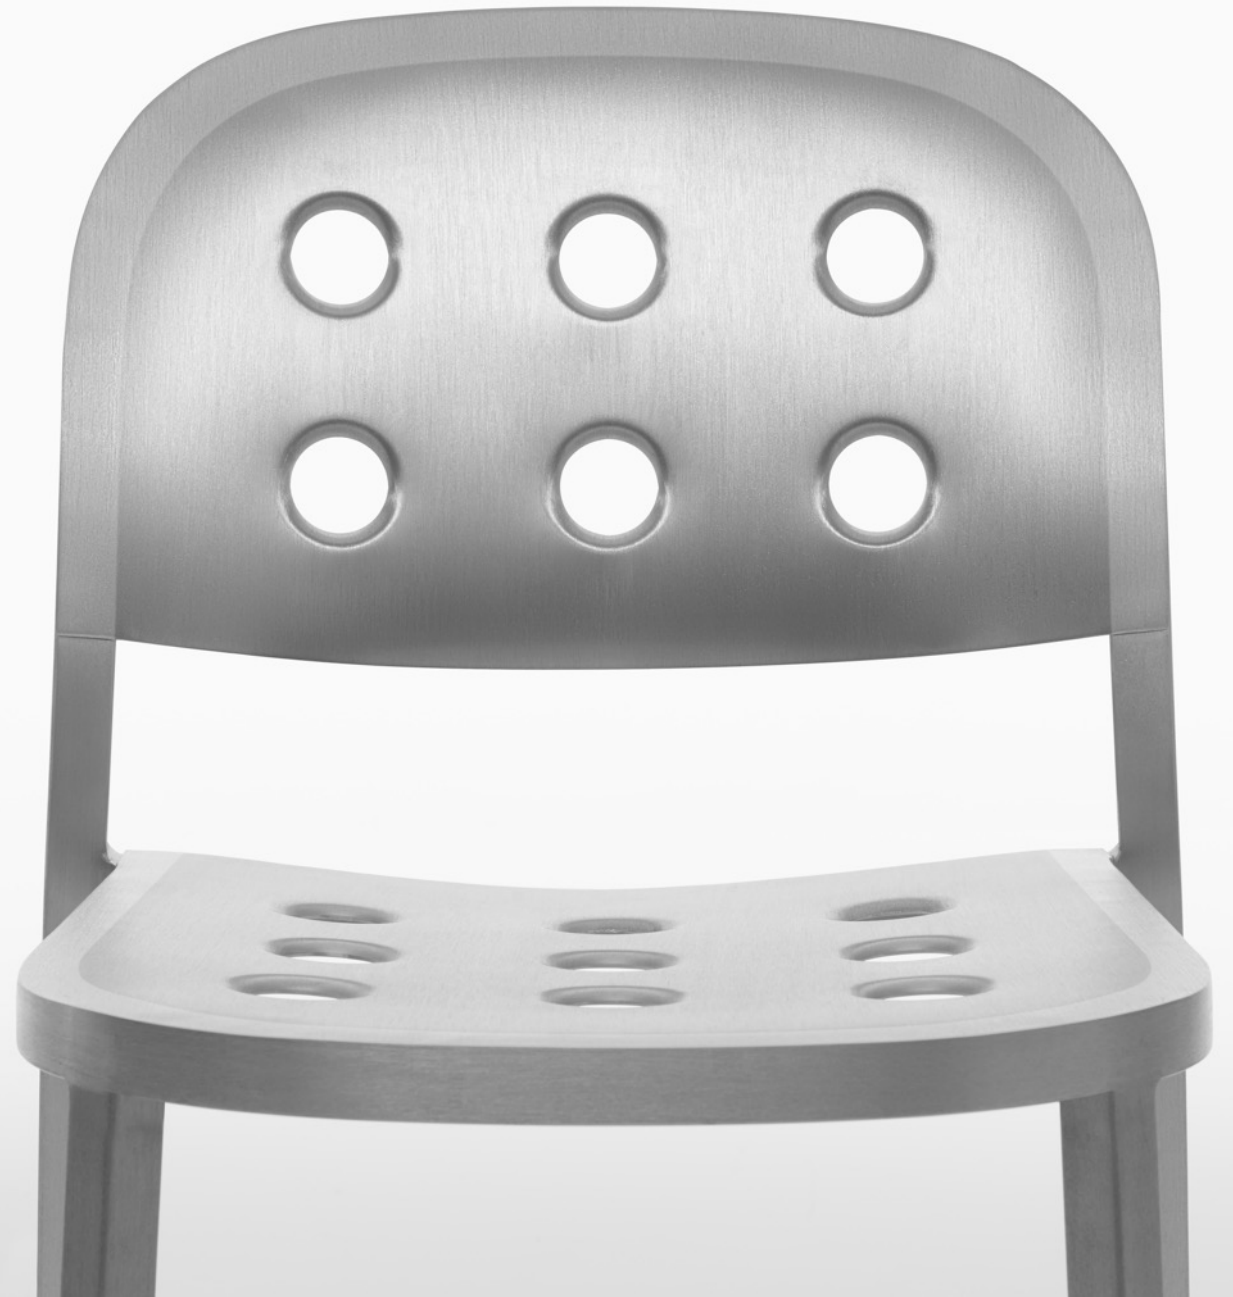

Material Matters

Recycled Aluminum

Endlessly recyclable
Super strong
Lightweight
Non-corrosive
Fireproof

Own your impact

Measuring carbon footprint is the first step towards reducing it.

What's in a footprint?

A 1006 Navy Chair with lifetime warranty

14.88 kg CO₂e

Two cups of coffee/day for a year

15.33 kg CO₂e

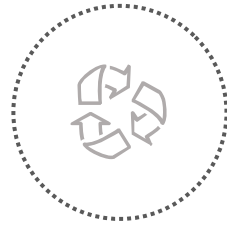

A pair of jeans

33.40 kg CO₂e

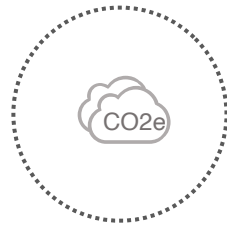

Made to last

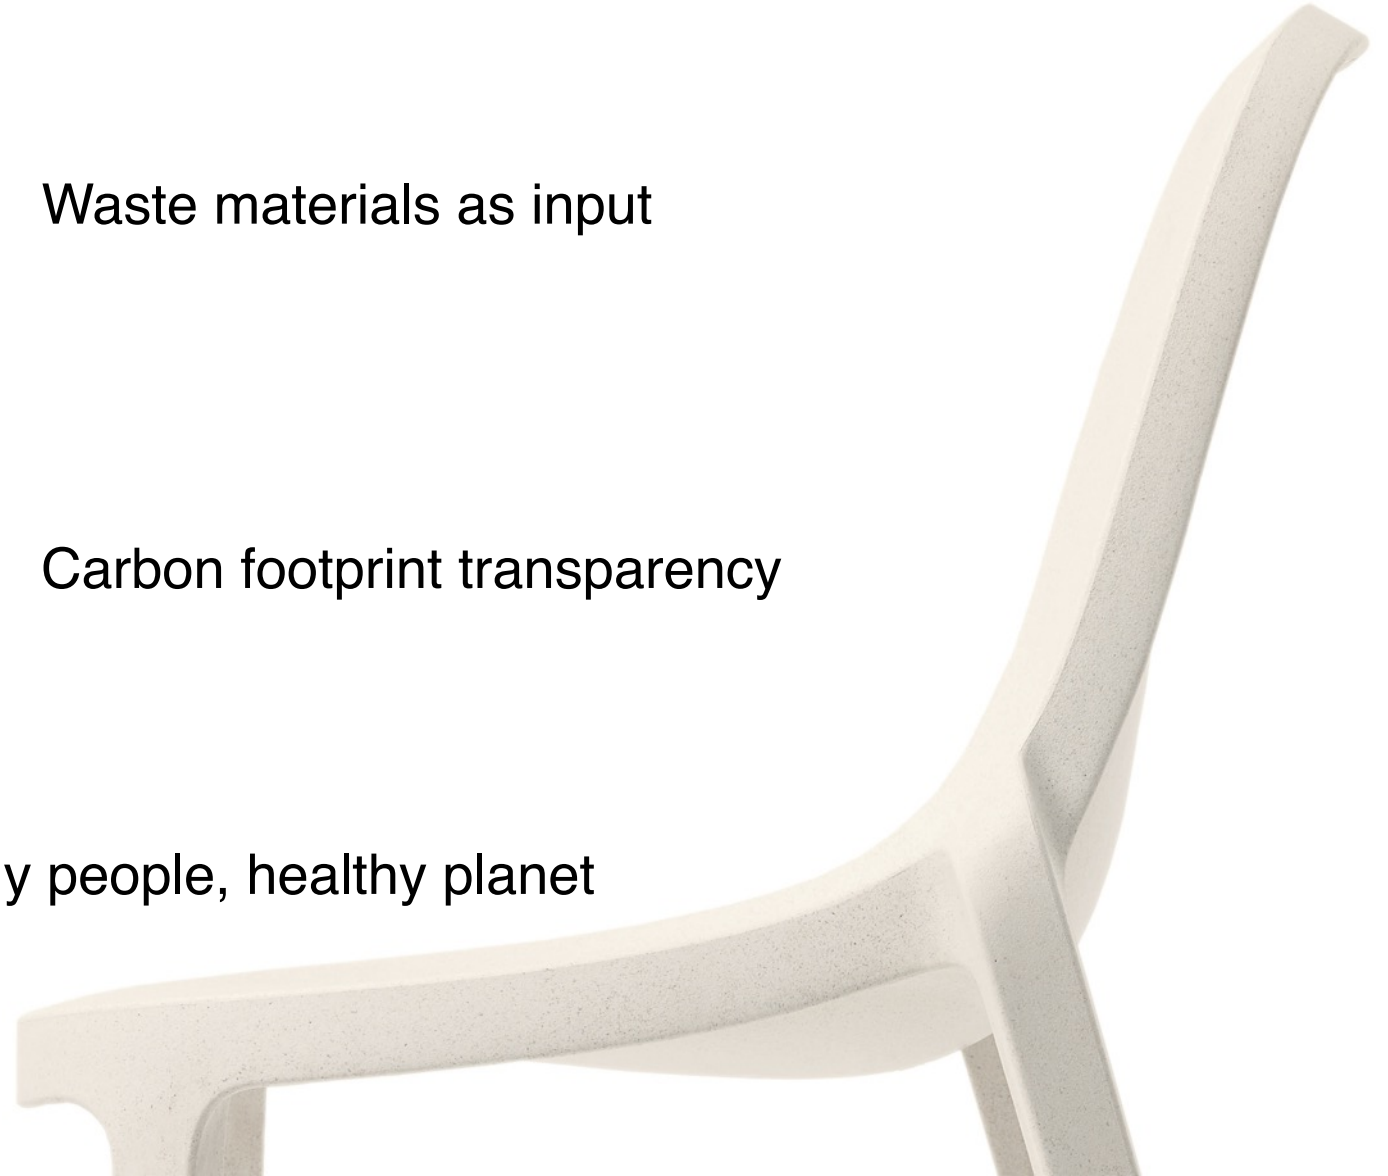

Waste materials as input

Carbon footprint transparency

Healthy people, healthy planet

Healthy people,
healthy planet
