EVOKE THE WORLD OF SAILING
WHILE THE LUXURIOUS,
TRANSPARENT CRYSTAL
PLAYING FIELD REDEFINES
CONTEMPORARY FURNISHINGS.

*Play the game in style until the
very last minute – the 90th minuto.*

**SOLID MILLED BEECH
TREE STRUCTURE**
an eco-friendly family heirloom

Long before there were words such as “sustainable” or “green,” Teckell was crafting objects with Mother Nature in mind – that is, gorgeous, 100% Italian objects made with fine materials that are cherished and handed down. The 90° Minuto foosball tables feature solid woods and crystal, a precious yet robust material.

DESIGN
*form and function unite
for a great design*

Design is in Teckell’s blood. Our first Calcio Balilla collection was created in a family-run carpentry workshop. The same artisanal and detail-oriented approach lives on today in each of our collections. Our designers are also constantly searching for ways in which to modernize Teckell’s tables while maintaining that delicate balance of craftsmanship, function and a pure style.

ENGINEERING
timeless masterpieces

Teckell has found the perfect balance between technology and craftsmanship. Master artisans are behind the creation of every single foosball table. Just as past generations, they carve the wood structure and cut the extra clear glass but are now armed with the latest tools: CNC machines ensure unrivaled precision and significantly reduced waste. Computers help craft these works of art but don’t make them run.

LIFESTYLE
*shaped for comfortable
modern interiors*

The details that define Teckell 90° Minuto are also found in hi-tech, minimal interiors. The table with its lean lines emanates a futuristic feel, blending in wonderfully in design, unique environments, while staying true to its 100% Italian roots, which guarantee quality and that extra special touch.

Painted aluminum scoring units.

Goals with polished stainless steel frames and handcrafted white nets.

Players made of aluminum: one team chalk epoxy powder coated; the other black epoxy powder coated.

Artisans have applied a face on every single player.

Solid milled Beech tree structure, matte-chalk color painted.

Quick mount handles that fit perfectly and can be removed and replaced.

Rod ends featuring two layers of shock absorption.

Rods are equipped with special, self-lubricating bearings so that they slide back and forth quietly, smoothly and quickly.

Telescopic bars.

Playing field in 15mm-thick tempered clear crystal.

Thick crystal structure increases the game's speed and the smoothest play.

Hidden, adjustable feet for leveling table.

Designed for indoor use.

TECKELL 90 MINUTO CHALK MATTE

An exclusive model, the result of a burning desire to experiment and put to the test the Italian tradition of manufacturing excellence. All foosball tables are sold with Teckell® Tool Kit including: Certificate of authenticity, Variety pack of foosballs for different styles of play, Instructions and Tools for assembling and maintaining the product (including a special lubricant for a smoothly flowing game).
